CONGRATULATIONS

Following Judith Casey's retirement at the end of August, Neel Kothari has now taken over as owner of High Street Dental Practice. Neel joined the practice as a partner in October 2010 and bought the remaining half of the practice this year.

Neel is very happy to have committed his future to the practice and carries out a range of general family dentistry, as well as more advanced care such as cosmetic dentistry, dental implants and treatment for nervous patients.

Staff News

Congratulations to Dental Nurse Lou Benstead-Banthorpe, who completed the Great North Run again this year and made a time of 1 hour 53 minutes! Lou ran in aid of the NSPCC.

Well done to Jo our Receptionist for completing the charity walk 'Girls Night Out' in Bury St Edmunds in September – walking 11 miles in pyjamas!

Neel took to the skies again in September, this time for a bungy jump with a 160 foot drop. Definitely rather him than me!

Dentist Angie recently took part in the Hever Castle iron man triathlon, finishing 1st in her age category and 9th overall woman. The triathlon involved a 1.2 mile swim, a 56 mile cycle ride and a half marathon. A fantastic result – well done!

Dental Nurses Lou Benstead-Banthorpe and Mandy Goodall are celebrating special birthdays in the coming months. We all wish Mandy a fabulous 50th birthday in November and Lou a fantastic 40th birthday in December!

With best wishes,

High Street Dental Practice Team
