

Welcome

We are delighted to announce that Mrs Angela Girgis will be joining the practice as an Associate Dentist on 10th September 2013.

Angela studied dentistry at King's College School of Medicine and Dentistry, graduating in 1992. She joined the practice in 2013, having worked in the Newmarket and Cambridge area since 1998. Angela has a special interest in Endodontics, the root treatment of teeth. She is very happily married with three children and keeps herself extremely busy training and competing for iron man triathlons!

As we announced in our last newsletter Mr Neel Kothari who owns and runs High Street Dental Practice has committed his long term future to the practice and has an excellent reputation amongst dental colleagues. Mr Kothari has a special interest in Implant dentistry and provides initial consultations to all patients of the practice and outside referrals on a free of charge basis.

In order to ensure the continuity of care for all patients of the practice, Mrs Louise Watts will be increasing her working days at the practice from part time to full time from September. Louise is a very familiar face at the practice, having worked with us on a part-time basis for the past four years.

From September 2013 our team of dentists will be:

Mr Neel Kothari
Practice Owner

Mrs C Louise Watts
Associate Dentist

Mrs Angela Girgis
Associate Dentist
